SECURE identification.

HID Global now offers a total solution for your card identity program — from fully personalized cards and readers to lanyards and strap clips. Our high-quality ID accessories help you create exactly the right ID card presentation. Combining a lanyard with a badge holder, for example, protects your card while providing quick access. Our ID accessories provide choices for convenience, security and durability. And, as with all of our products, you'll get premium quality and reliable customer service.

Let us deliver your complete ID card solution.

With the addition of the new ID card accessories line to HID Global's Identity on Demand services, customers have everything they need for a total ID card solution from a single source. With trusted products, simplified ordering processes, competitive pricing and reliable customer service, HID Global makes finding the right ID card solutions quick and easy.

Lanyards & Attachments

An easy and attractive way to present your ID or credentials, especially when visual identification is required. Lanyards are 3/8" (10mm) Flat Braid Woven Lanyard with Safety Break-Away. Gripper 30® eliminates the need to punch card, reducing the chance of premature card failure.

Badge Holders

Clearly display IDs — from visitor badges to multi-function technology cards — while protecting them during constant use. Badge holders may hold one or more cards, depending on style, and allow you to attach your card without having to punch a hole in it.
