

HID Guardian™ USB

FEATURES

- Forensic-quality fingerprint capture
- Auto-Capture and Perfect Roll
- Compact, ergonomic design
- Appendix F certified
- Proven reliability

APPENDIX F CERTIFIED TENPRINT LIVESCAN

The Guardian product line was the first compact, mobile, tenprint reader to meet the U.S. government's stringent biometric standards. Designed for rapid, forensic-quality fingerprint capture, all Guardians are fully compliant Appendix F certified scanners suitable for both criminal and applicant biometric identity management.

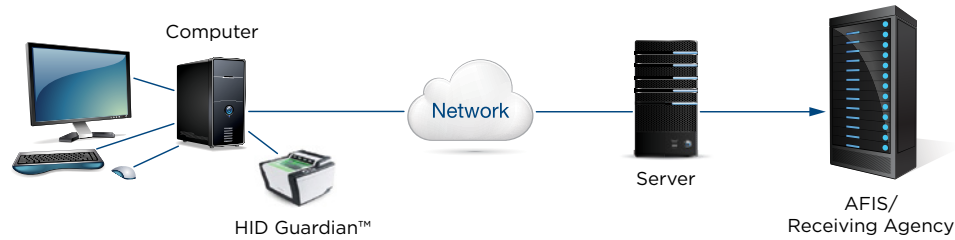

Unique features, such as our patented Auto-Capture capability and Perfect Roll technology, allow foolproof fingerprint acquisition – positioning the Guardian as the ideal choice for high-volume fingerprint enrollment and/or verification applications where

accurate image capture and throughput times are critical success factors.

Chosen for the Department of Homeland Security's U.S. VISIT program Department of State's Visa program, and numerous other U.S. and foreign government biometric deployments, the Guardian's durability and reliability is field proven.

The Guardian USB is your logical choice for commercial, civil and defense-related applications such as border control, national ID, pension and benefits administration, voter registration and applicant background check programs.

STANDARD NETWORK CONFIGURATION

SPECIFICATIONS

Product Name	HID Guardian™ USB
Capture Modes	Flats, Rolls
Capture Features	Auto-Capture, FlexFlats, FlexRolls
Image Quality Certification	Appendix F, Livescan and ID Flat (with or without membrane)
Image Resolution	500 ppi
Device Interface	USB 2.0 High speed
Certifications	Appendix F, UL, CE, RoHS, FIPS 201
Operating Temperature	32° F - 122° F (0° C - 50° C)
Heated Platen	Eliminates condensation and halo effects
Power Supply	External power supply
Device Dimensions (w x h x l)	6" x 6" x 4.7" (152 mm x 152 mm x 120 mm)
Weight	4 lbs (1.8 kg)
Water and Dust Protection	IP 31
Operating Systems	Windows® XP 32-bit; Windows® 7/8.1/10 32 and 64-bit
SDK	HID Crossmatch L Scan™ Essentials SDK
Optional Components	Roll capture license, Mounting bracket, Supply kit, Accepts security cable

Data subject to change without notice.
