

Crescendo C1100

End of Life Notification

December 15th, 2019

Dear Valued Customer,

HID Global is updating its product portfolio triggered by discontinuation by one of our suppliers of underlying components used in some of our Crescendo credentials.

This letter provides information on affected parts, EOL timelines and replacement product availability.

SUMMARY OF DISCONTINUED PART NUMBERS

- Crescendo C1100 and C1150 Smart Card family, replaced by the Crescendo C2300.
- ActivKey SIM using the C1100 module, replaced by the Crescendo Key

TIMELINE FOR DISCONTINUANCE

- Begin Last-Time-Buy (LTB) period – December 20th, 2019
- Last Time Buy with guaranteed volumes – February 1st, 2020
- Last Time Buy* – June 30th, 2020
- Final scheduled ship date – September 30th, 2020

* While supplies last. Stock is limited and subject to availability of components in the market.

HID recommends to start planning migration to replacement part numbers and use the new Crescendo C2300 for all new deployments as per the overview table below.

For detailed part number transition please look at the full part number list attached.

Part Number	Description	Replacement SKU	Type of replacement	Available
