**RoHS Recast (RoHS2) 2011/65/EC CERTIFICATE OF CONFORMANCE FOR
HID Global PRINTER/LAMINATOR/ENCODER AND SECURE MATERIAL
PRODUCTS**

This letter is to certify that all HID Global printer / laminator and Secure Materials products are fully compliant with the European Union RoHS directive 2011/65/EC and contain no more than the permitted levels of banned hazardous substances.

HID Global Secure Materials include cards, ribbons, film and overlaminates sold by HID Global Corporation of 6533 Flying Cloud Drive, Eden Prairie MN 55344 USA.

In addition, HID Global printer products are marked with the "Crossed through Wheelie-bin" symbol to indicate that in accordance with the European Union WEEE directive they are to be recycled and not sent to landfill.

Date of certificate: 3th January 2013

Signed:

A handwritten signature in black ink, appearing to read 'Brent Lien', written over a horizontal line.
