NOTICE OF END OF SALE DATE FOR SELECT iCLASS SE® & multiCLASS SE® READERS:

HID Global is dedicated to providing the highest quality physical access control solutions to our customers. Our commitment to quality includes proactive and efficient management of the HID Global product lifecycle process to ensure a streamlined portfolio that helps you easily select the right solution for each application. This process also provides operational efficiencies for HID Global and our partners, helping us to deliver on our commitment to improve the way we do business together.

To enhance the customer ordering experience and facilitate transition to our new signature line of readers, HID Signo™, we are discontinuing a selection of the flagship iCLASS SE and multiCLASS SE reader options.

Summary of the iCLASS SE & multiCLASS SE reader options being discontinued:

- R10/RP10 reader models – Part Numbers 900xxxxExxxxxx
- R15/RP15 reader models – Part Numbers 910xxxxExxxxxx
- R40/RP40 reader models – Part numbers 920xxxxExxxxxx
- RK40/RPK40 reader models – Part Numbers 921xxxxExxxxxx

Discontinuance of these options includes accessories such as spacer kits and mounting plates.

Exceptions — specific 13.56 MHz credential configurations that will remain available:

- W - Custom programming
- H - Supports PKI-Based FIPS 201 Credentials including PIV, PIV-I, CIV, CAC, TWIC and FRA

Timeline for discontinued products:

- End of Sales Date: **March 31, 2022**
- Final Scheduled Ship Date: **April 30, 2022***
- End of Life Date: **March 31, 2023****

Please refer to [HID Global Product Lifecycle Process](#) for definitions and implications of "End of Sales" and "Final Scheduled Ship" dates.

* As we near the End of Sales Date, products will be available while supplies last. Stock will be limited and subject to availability on some of the above reader models; accordingly, RMAs with replacement units will also be limited.

** Even after the End of Life Date, the lifetime warranty on iCLASS SE and multiclass SE reader models mentioned above will remain valid under the terms of the HID Global General Warranty Policy (<https://www.hidglobal.com/warranty-policy>).

HID Global has a limited supply of products being discontinued. We strongly encourage a timely transition to HID Signo, the new signature line of access control readers from HID Global. **To help ease the transition, HID is also introducing a promotion offering a [10% discount on equivalent HID Signo readers](#) until September 30, 2021.**

If you have further questions about the end of sales announcement, the new HID Signo promotion or how to find a new replacement HID Signo part number, please reach out to your local HID sales representative. Thank you for your continued business and interest in HID Global products and services.
